

IN THE CLAIMS

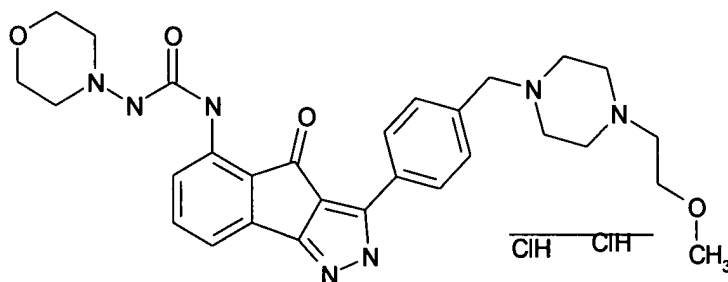

COMPLETE LISTING OF ALL CLAIMS, WITH MARKINGS AND STATUS IDENTIFIERS
(Currently amended claims showing deletions by ~~striketrough~~ and additions by underlining)

This listing of claims will replace all prior versions and listings of the claims in the application.

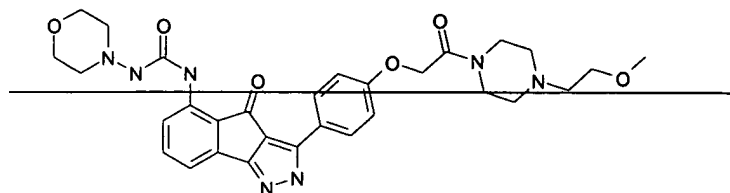

Listing of Claims:

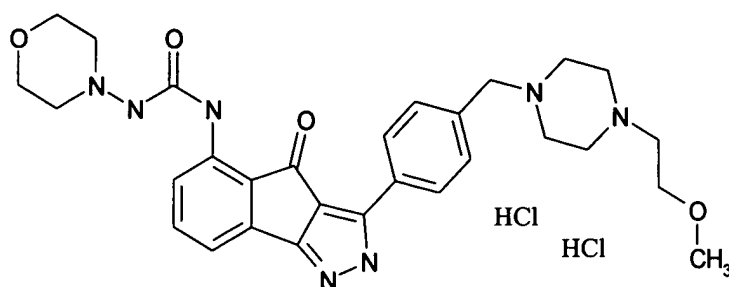

1-8. (cancelled)

9. (currently amended) A compound, or isomeric, prodrug, tautomeric, pharmaceutically acceptable salt, N-oxide, or stereoisomeric form thereof, having the structure:

10. (currently amended) The compound of Claim 9, wherein the pharmaceutically acceptable salt form has the structure ~~A compound, or isomeric, prodrug, tautomeric, pharmaceutically acceptable salt, N-oxide, or stereoisomeric form thereof, having the structure:~~

11. (cancelled)

12. (currently amended) A pharmaceutical composition comprising a pharmaceutically acceptable excipient and a compound of claim 9 or 10 ~~any of claims 1-11~~.

13. (currently amended) A method of treating a hyperproliferative disorder, comprising administering to an animal a compound of claim 9 or 10 ~~any of claims 1-11~~.

14. (currently amended) A method of inhibiting proliferation of a cell, comprising contacting the cell with a compound of claim 9 or 10 ~~any of claims 1-11~~.

15. (currently amended) A method of treating a viral infection, comprising administering to a mammal a compound of claim 9 or 10 ~~any of claims 1-11~~.

16. (original) The method of claim 15, wherein the viral infection is caused by a human immunodeficiency virus (HIV).

17. (currently amended) A method for the treatment or prevention of alopecia induced by chemotherapy or radiation therapy, comprising administering to a mammal a compound of claim 9 or 10 ~~any of claims 1-11~~ ~~conjointly~~ with one or more chemotherapeutics or radiation therapy.

18-25. (cancelled)

26. (currently amended) A method of inhibiting cyclin-dependent kinase comprising administering to a host in need of such treatment a therapeutically effective amount of a compound of claim 9 or 10 ~~any of claims 1-11~~ or a composition containing a therapeutically effective amount of such compound.

27. (currently amended) A method of treating cyclin-dependent kinase associated disorders comprising administering to a host in need of such treatment a therapeutically effective amount of a compound of claim 9 or 10 ~~any of claims 1-11~~ or a composition containing a therapeutically effective amount of such compound.
